## BOYS REPUBLIC

## Sugar Ray Leonard is 2012 Della Robbia Wreath Campaign Chair

■ Chino Hills: **Boxing legend visits with Boys Republic students at main campus, delivers inspirational speech.**

World champion boxer and media personality Sugar Ray Leonard has agreed to accept the role of this year's Honorary Della Robbia Wreath Campaign Chairman. In this role, he will help to promote the Della Robbia program and its value as a work experience project for disadvantaged teenagers.

Leonard's illustrious career includes three National Golden Gloves titles, two AAU championships, a 1975 Pan-American Games crown, and a gold medal in boxing at the 1976 Olympic games. As a professional, he won world titles in five different weight classes, a record that still stands today.

His sincere, charismatic personality coupled with his ring experience has led to a success in television as a boxing analyst.

The Della Robbia wreath program is a self-supporting work experience program largely operated by Boys Republic students. The year-round wreath production project gives youths preparing for adult responsibility an opportunity to learn important work-related habits and skills.

*MOVING SPEAKER: Last November, Sugar Ray Leonard (above signing autographs) gave a stirring talk to about 200 admiring Boys Republic students and staff at the Chino Hills campus. The former champion boxer encouraged young people to make good decisions.*

# Boys Republic Initiates Campaign to Fund Campus Building Renovation Project

Each year, our school and residential campus serves as a full-time, year-round home base to more than 500 disadvantaged students, many of whom have never had a clean and secure home in which to live before coming to Boys Republic. Our complex of more than 30 buildings houses the programs in guidance and education for their care. Ranging in age from 20-90 years, these buildings have seen quite a bit of history. More than 30,000 energetic teenagers have lived, worked and learned in them, since our founding in 1907.

As part of a preventive maintenance program, our Board of Directors recently requested a comprehensive assessment of all of Boys Republic's buildings. The assessment revealed that, due to constant use and normal wear and tear, several of our buildings — six dormitories, a kitchen and bakery, and a gymnasium — are in need of renovation, upgrading and repair. All are still structurally sound and, with immediate attention, will be sure to provide many more years of service to our students as they go about their business of acquiring academic and vocational skills.

The total cost of the Building Renovation

*FUNDED THROUGH PHILANTHROPY: Like nearly every physical plant improvement at Boys Republic, the construction of McCormick Cottage (above) was funded through the charitable instincts of generous individuals. Stanley R. McCormick Cottage was built in 1919, when his mother, Mrs. Cyrus McCormick, provided the funding for both Fowler and McCormick Cottages.*

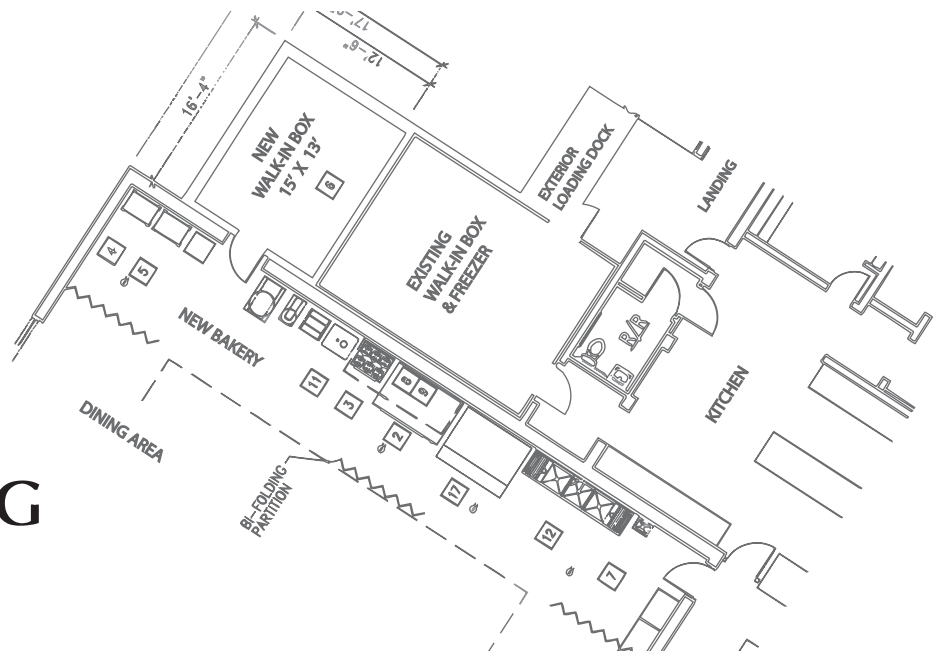

Project is estimated at \$2,264,695. Boys Republic has planned a three-year capital campaign to fund the project with donations from individuals, foundations and corporations. Project construction and renovation activities will take place over a three-year period, as funds are available.

*GYMNASIUM: A new floor, roof coating, air conditioning, painting and bathrooms remodel are among the construction activities planned for the campus gymnasium, originally built by the Pasadena Auxiliary in 1952.*

# joy OF WORKING

## ■ Teaching Bakery: Plans for a new bakery at Chino Hills Campus will add breadth to Boys Republic's 'menu' of vocational programs.

A range of vocational opportunities at Boys Republic are designed to help disadvantaged teenagers learn the demands and enjoy the rewards of real life work experience. Landscaping, masonry and print shop classes are structured just like the jobs they will seek as adults. Now, an expansion of the agency's food services class will also allow students to learn the fundamentals of baking in a commercial setting.

The new teaching bakery will almost double the enrollment capacity of Boys Republic's food services class. The bakery facility partitions an existing section of the 7,625 square foot campus cafeteria, converting 826 sq. ft. of space for enrolled students to learn how to operate floor mixers, a convection oven, and a dough sheeter, divider, rounder and slicer. The plans also call for the construction of a 207 square foot walk-in cooler and freezer which would be built just outside the existing cafeteria to store the fresh breads, cakes and cookies, and other baked goods they create.

The cost of the Teaching Bakery, including architectural services, construction and bakery appliances, is estimated to be \$412,000. This amount is included in the Building Renovation Project budget.

The main campus kitchen and cafeteria prepare and serve meals three times daily, for a combined population of 170 hungry teenagers and the staff who supervise them.

*MEANINGFUL WORK: Boys Republic emphasizes the role of meaningful work to cultivate in troubled youth the qualities of diligence, self-reliance and accountability. As much as possible, vocational classes emulate real life experience, teaching both good work habits and specific skills.*

## Fifth Annual Friends of Steve McQueen Car Show Benefits Boys Republic

Old pistons, rusty carburetors, a trumpet-like horn and a steering wheel. In any other context, discarded car parts like these would be nothing but junk. But polished up and imaginatively mounted on trophy bases, they became highly-coveted mementos of one of Southern California's premiere automobile events: the Friends of Steve McQueen Car Show.

The "car parts" awards were fashioned by Boys Republic wood shop students who also helped present them to the owners of winning display vehicles at the event, held last June 1-2. In fact, Boys Republic students played a vital role in almost every aspect of the car show's preparation and staging.

Boys Republic alumnus Steve McQueen's movie, *Bullitt*, provided the theme for this year's show. The event began Friday night with the Bullitt Dinner; BR students served 496 guests. The following morning, more than 300 cars were on display for 3,142 attendees.

Net proceeds of \$149,358 took a quantum leap over those of the previous year (\$51,364), largely due to the stellar planning effort of the Friends of Steve McQueen, a volunteer group of automotive enthusiasts who make up the car show organizing committee. Proceeds will be applied to Boys Republic's Building Renovation Project.

*EVENT PROGRAM: BR alumnus Steve McQueen as detective Frank Bullitt graced the cover of the Fifth Annual event program. Cover design by automotive fine artist Nicolas Hunziker.*

**GREEN MACHINES:** At least 42 Green Bullitt Mustangs were among the more than 300 display vehicles.

**IMAGINATIVE:** Judged vehicles could win trophies custom-crafted by Boys Republic woodshop students.

**CELEBRITY SIGHTING:** Actor and car show co-chair Chad McQueen autographed a student's tee-shirt.

## Frank L. Mallory: Volunteer Director Shared Boys Republic Vision

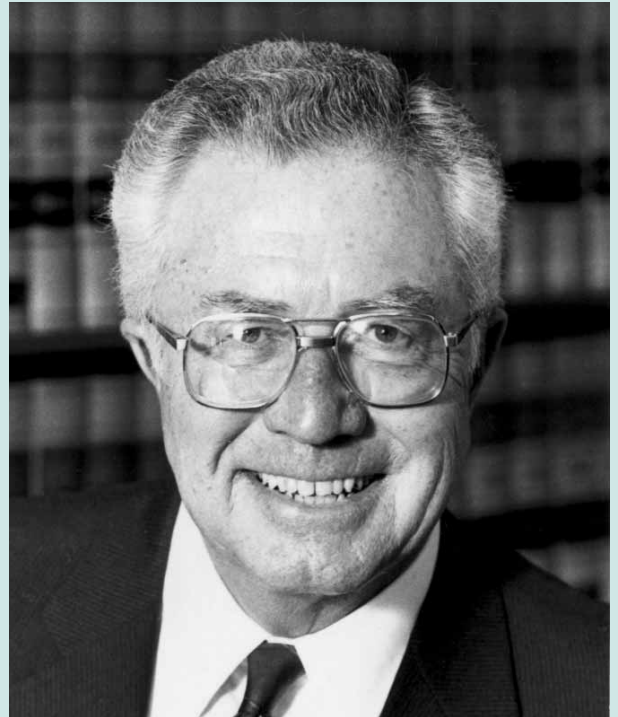

One of life's most worthwhile endeavors is to provide a good kid with an opportunity for a better life. That's Boys Republic's mission. Over the years, our agency has had the good fortune to attract a talented pool of volunteers who shared that vision. One such individual was former Board of Directors member Frank L. Mallory.

Mr. Mallory, who had a distinguished career as an attorney with Gibson, Dunn, & Crutcher LLP in tax and estate matters, served on Boys Republic's Board of Directors from 1958 to 1988 and as Board President, 1962-1965.

Former Boys Republic Executive Director Max Scott wrote:

*"Frank Mallory had profound influence on our agency. He knew the history and traditions of BR and did every thing possible to preserve our treatment philosophy and secure our financial position."*

*"As an active Board member and his years as Director Emeritus, he enhanced our public acceptance and reputation . . . His endorsement of our agency resulted in hundreds of friends, many of whom became life long financial*

**Frank L. Mallory**

*contributors to Boys Republic. We will miss him."*

Mr. Mallory passed away December 24, 2011. He is survived by his wife, Jean and his three children, Susan Remun, Ann Kenney and Bruce Mallory.

## Boys Republic Report

Boys Republic Report is published three times yearly by Boys Republic, 1907 Boys Republic Drive, Chino Hills, CA 91709. (909) 628-1217.

Boys Republic and Girls Republic are private, non-profit, non-sectarian agencies helping troubled children aged 13 to 18. Rules for acceptance and participation in these programs are the same for everyone without regard for race, color, national origin, age, sex or handicap.

## Our Mission

Boys Republic is a nonprofit organization which seeks to give adolescent youth with behavioral, educational, and emotional difficulties an opportunity to achieve their maximum potential for responsible, self-directed life within the community.

Every attempt is made to involve family members in the rehabilitation process and to bring about the reunification of the family. We consider the development of academic, vocational, and social skills essential in assisting youth we serve to return to the community as useful, productive citizens.

# Memorials Honor Special People, Events, Through the Lives of Children

A memorial contribution to Boys Republic and Girls Republic is a meaningful way to honor a special person, a special event or the memory of a friend or loved one. Your gift will reap a second benefit as well by contributing directly to the programs of Boys and Girls Republic. In this way, the honor paid the designee will live on perpetually in the lives of the deserving young people you have helped.

The following are memorial and commemorative contributions made from September 1, 2011 through March 31, 2012.

# Special Friends

## Donor Support in Calendar Year 2011

*Since its founding in 1907, Boys Republic has served as a point of contact between the charitable instincts of thousands of open-hearted individuals, families and organizations and the needs of some of society's most troubled youths. The year 2011 was no different. As they have for more than a century, hundreds of special people became special friends of the troubled young men and young women in program through gifts of their time, their talents, their financial support and of a wide assortment of useful commodities and merchandise. This roster of charitable support is published in tribute to them all.*

*We extend very special thanks to the thousands of friends who last year purchased Della Robbia Christmas wreaths. These purchases provided after-school jobs to more than 600 troubled young men and women during the year and helped them gain the sense of self-responsibility so important to their long-term recovery.*
