■ Chino Hills, California: Campaign to fund building renovation approaching goal of \$2.2 million.

Each year, our school and residential campus serves as full-time, year-round home base to more than 550 disadvantaged students. Many of them have never had a clean and secure home in which to live before coming to Boys Republic. Our complex of more than 30 buildings houses the programs in guidance and education for their care. Ranging in age from 20-90 years, these buildings have seen quite a bit of history — and the normal wear and tear that comes from plenty of teenage testosterone. More than 30,000 energetic teenagers have lived,

worked and learned in them, since our founding in 1907.

Boys Republic's Board of Directors has been keenly aware that rehabilitation and learning, like every other human activity, occur best in a clean, structurally sound environment. With this in mind, they authorized a three-year campaign to fund the renovation of six dormitories, a gymnasium and a teaching bakery.

Vanessa Williams Agrees to Chair 2013 Della Robbia Wreath Campaign

Honorary National Chairperson of the 2013 Della Robbia wreath campaign is multifaceted musical recording artist and actress Vanessa Williams. Ms. Williams will help promote public awareness of the Della Robbia program and its value as a work experience project for disadvantaged teenagers.

Her critically acclaimed work in film, television, recordings and the Broadway stage has been recognized by every major industry award affiliation including 4 Emmy nominations, 17 Grammy nominations, a Tony nomination, 3 SAG award nominations, 6 NAACP Image Awards and ultimately a Golden Globe, Grammy and an Oscar for Best Original Song for her platinum single “Colors of the Wind,” for the Disney film Pocahontas.

A strong advocate for equal rights, Ms. Williams recently received the Human Rights Campaign “Ally for Equality” Award for her humanitarian contributions.

roof and floor coverings, and remodeled bathrooms. These are just some of the activities that comprise the Building Renovation Project. While this list of down-to-earth projects may not sound particularly inspirational, it hasn’t softened our donors’ resolve to see the project through.

“We’re now two years into the three-year, \$2.2 million Building Renovation campaign,” notes Boys Republic executive director Chris Burns, “and already the project has generated nearly \$1.9 million.”

“Our supporters really are in tune with us that this type of proactive maintenance is a priority. We’re fortunate to have a group of donors who take the time to learn about who we are and what the teenagers in our care need.”

Renovation activities are well underway. Dormitory bathrooms, one of the biggest projects on the list, are nearly complete. Floor and roof coverings are both done, and much of the interior painting is finished.

“We’ve got the permits now for the new Teaching Bakery and construction has begun,” said Burns. “Everyone’s excited because the Bakery will add a new dimension to our vocational training.”

Boys Republic Report

Boys Republic Report is published three times yearly by Boys Republic, 1907 Boys Republic Drive, Chino Hills, CA 91709. (909) 628-1217.

Boys Republic and Girls Republic are private, non-profit, non-sectarian agencies helping troubled children aged 13 to 18. Rules for acceptance and participation in these programs are the same for everyone without regard for race, color, national origin, age, sex or handicap.

Win-Win Agreement Benefits Boys Republic Agriculture Students

Often abused, abandoned or neglected, they arrive looking undernourished and acting skittish or distrustful. But after an agreed-upon stay within the wholesome atmosphere of Boys Republic's serene, farm-school setting in Chino Hills, they regain the health they will need for a productive life.

The scenario above refers to a recently-negotiated agreement with the Inland Valley Humane Society to board mistreated livestock in Boys Republic's farming operation, until they regain their health and can be either adopted or returned to their original owners. But we could just as easily be talking, here, about some of the street kids placed at Boys Republic and the benefits they derive from the agency's highly-structured, wholesome environment.

And that's just what makes this agreement a win-win situation. Boys Republic students, themselves often from less than ideal circumstances, provide care for the neglected animals. In so doing, students become more receptive to their own treatment program.

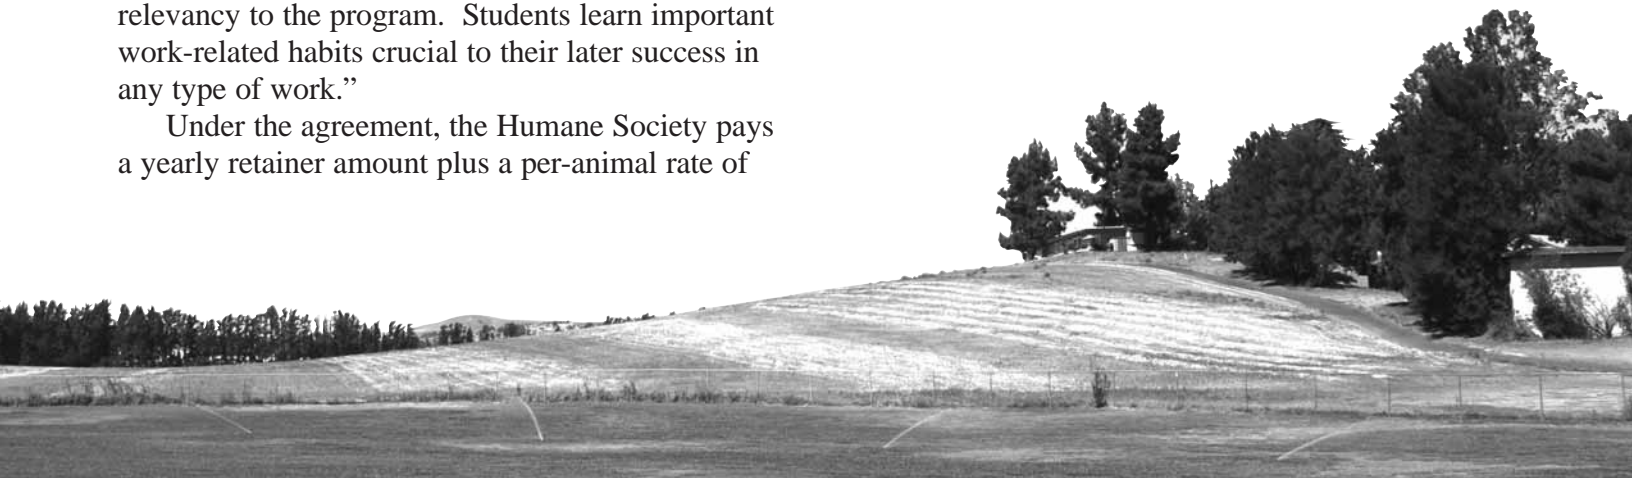

"This agreement fits well with our founding values. Agriculture and farming are as close to the original mission of Boys Republic as is the concept of student government," notes Chris Burns, the agency's executive director. "Our students provide care for animals that are completely dependent upon them for food and water. Students must irrigate the land and raise harvest crops."

"While farming is a lifestyle experience that most will never again have, there is tremendous relevancy to the program. Students learn important work-related habits crucial to their later success in any type of work."

Under the agreement, the Humane Society pays a yearly retainer amount plus a per-animal rate of

\$20 per day (there's a lower, bargain rate for chickens!). Students help to care for the animals, by growing crops, and feeding and cleaning-up after them. In addition, the Humane Society has agreed to fill one of their intern positions with a Boys Republic student.

Sixth Annual Friends of Steve McQueen Car Show Themed After “The Great Escape”

About mid-day on June 1, a stealthy group of inmates emerged from confinement through an escape tunnel next to Boys Republic’s football field. A shrill siren announced their escape, as rifle-firing guards leapt from an observation tower into pursuit.

The fugitives couldn’t have planned it better. It was the 6th Annual Friends of Steve McQueen Car Show and their getaway, a re-enactment of the *The Great Escape* movie’s famous escape scene, added fun and excitement for more than 4,000 event spectators. The “breakout” culminated with the arrival of a fully-functioning Sherman tank and a fly-over by a P-51 Mustang.

Boys Republic alumnus Steve McQueen’s movie provided the overall theme for this year’s show. The event began Friday night with The Great Escape Dinner and live auction. Boys Republic students served 500 guests. The following morning, spectators enjoyed 350 classic and collectible automobiles and motorcycles.

Net proceeds of \$200,327 showed significant growth over those of the previous year (\$141,937). Proceeds will benefit Boys Republic’s programs for troubled and disadvantaged teenagers.

*EVENT POSTER: An illustration of BR alumnus Steve McQueen as Hilts in *The Great Escape* (1963) provided eye-catching advertising for the show. Poster design by automotive fine artist Nicolas Hunziker.*

HAND-MADE: 36 imaginative trophies crafted by Boys Republic students were presented to the owners of winning vehicles with the help of a young volunteer.

SERVICEMEN: Boys Republic food services students, dressed in “The Great Escape” theme clothing, served 500 dinner guests.

RE-ENACTMENT: The California Historical Group re-enacted the escape scene from the movie, complete with a functioning Sherman tank.

Students Reap Rich Harvest of Awards at 106th Annual Ceremony

Boys Republic held its 106th Annual Awards Ceremony on September 12. Nearly 300 of the agency's teens and staff, local officials and proud parents gathered to honor selected students. Financial recognition at the awards ceremony ranged from \$100 to \$2,500 scholarships for outstanding scholastic or leadership achievement or overall program success.

Unlike traditional schools which offer educational scholarships, almost exclusively, Boys Republic presents awards that can be utilized in a variety of ways to help deserving students meet immediate or longer-term personal goals. Scholarship funds may be used to help further a student's education, but just as often, it may become a deposit on an apartment for a graduate with no family to return to, or it can buy food, tools, training or appropriate clothing to help a graduate qualify for a job.

Among the awards presented at the ceremony were:

- Frank & Marianne Graves Scholarship of \$1,000 each to Guillermo Alvarez, Andrew Arias, Alan Domingo, Marcus Priestly, Eric Mendez; \$750 each to Victor Acosta, Luis Chavez, Daniel Ghanbari, Isaiah Hall, Eric Walker; and \$500 each to Kevon Alford, Michael Aquino, Joseph Barreda, Sectino Bradley, Christopher Buford, Khackik Chiroglyan, Christian Duran, Joseph Meza, Daniel Perez, David Tangitau and Sunny Veth;
- Fowler Merle-Smith Family Scholarship of \$1,000 to Kylee Draper;
- Delight Groves Scholarship of \$500 to Brian Garcia;
- Mark M. Davids Leadership Award of \$200 to Jesus Castillo;
- Everett and Jane Houser Scholarship of \$1,000 to Carols Salazar;

DAN BAUTISTA, *Division Director San Bernardino County Probation Department* was keynote speaker for Boys Republic's 2013 Awards Ceremony. Mr. Bautista's presentation offered both understanding and encouragement for students making the transition to adult responsibility.

- Steve McQueen Scholarship of \$1,000 to Carlos Gutierrez;
- Neile McQueen Scholarship of \$1,000 to Raul Gonzalez;
- Terry McQueen Scholarship of \$1,000 to Natasha Michael;
- Michael Madsen Scholarship of \$1,000 to Ernesto Orozco;
- Carmen Combs Scholarship of \$1,500 each to Vallerina Hopkins-White and Tramont Myles;
- Don and Carol Bremer Endowed Aftercare Assistance Award of \$1,000 to Sectino Bradley;
- Ed Korbel Scholarship of \$1,000 to Aaron Nevarez;
- Eldon Woods and Roger Fletcher Scholarship of \$1,000 to Christian Corona and \$500 to Sammy Carbajal;
- Charles & Rae Leavitt Scholarship of \$500 to Angel Gomez;

We extend very special thanks to the thousands of friends who last year purchased Della Robbia Christmas wreaths. These purchases provided after-school jobs to more than 600 troubled young men and women during the year and helped them gain the sense of self-responsibility so important to their long-term recovery.
